WEEK OF AWARENESS

HOST A TRAFFIC SAFETY SPEAKER AT YOUR HIGH SCHOOL

WHY IS THIS IMPORTANT?

Car crashes are the #1 killer of teens in the US. It is only through smart decision making, knowledge, education, and experience on the road that we can prevent teen deaths from auto crashes.

Your school can receive a **FREE** presentation from one of our national speakers on teen traffic safety topics such as distracted or impaired driving.

AUDIENCE REQUIREMENT:

We ask that you safely fill your auditorium (or wherever you host a large group) with your seniors and juniors so that as many teens as possible can benefit from our speaker's powerful presentation.

Minimum Audience Requirement: 400 Students
